- If your spouse has access to group medical insurance through his/her employer and you choose to cover him/her under the Inframark plan, you will pay a Spousal Surcharge of \$34.62 per pay.
- If you or a covered spouse/domestic partner use tobacco regularly, you will pay an additional \$28.85 per pay for Inframark medical coverage. You can have this surcharge waived by participating in the Health Advocate Tobacco Cessation Program. If it is unreasonably difficult or medically inadvisable for you to attempt to achieve these standards because of a health condition, contact Health Advocate at 855-424-6400. These surcharges are subject to change throughout the year based on any tobacco usage or spousal coverage changes you report.
- If you cover a domestic partner and their child(ren), Inframark is required to calculate the imputed income (also called fair market value) of their health benefits. This means that the imputed income will be added to your W2 and subject to income tax withholding and employment taxes.
